

EICHER UPDATE

April 25, 2008

We had a fun time on the farm! We weren't able to ride real ponies...but the children had fun riding their own horses that they made in school!

I just wanted to remind you about graduation day. Graduation day is Tuesday, May 27. We will MEET AT PIONEER PARK in MOORESVILLE at 9:00 AM. The kids will play, have some relay games, do a water balloon toss, play water balloon volleyball. We will have children "team" up with parents (or grandparents, aunts, uncles or friends) with most of our games, so be ready to have fun!

You may bring a picnic lunch and we will dismiss from the park after our lunch around 12:00. The children will get their "diplomas" and other goodies at this time. We will NOT have PM class on Graduation Day, enjoy your little graduates. Our school year will be officially over on Graduation Day!

I'm sorry that the sign up list for the graduation was not outside our classroom door, I printed it off and didn't get it from the office and just simply forgot. It will be posted next week. There are 19 different items. One item per family ☺ If you aren't able to sign up I will choose an item and let you know what to bring. Thanks.

Thank you to those who have helped develop film this year. I will be sorting through all of those cute pictures and start the memory books next week, so if you still have a camera to develop just send in the pictures next week. Thank-you.

May 9 is Grandparent's Day! There will be a program in the morning and the children may go to lunch with grandparent (or loved one). If you are planning this, please sign the permission slip attached and return by next Wednesday.

May 23 No School – Bike-A-Thon Fundraiser Free Day!

May 26 No School – Memorial Day

A PEEK AT THE WEEK:

BIBLE: God spoke to the boy Samuel and God still speaks to us today.

VERSE: Psalm 85:8 I will listen to what God will say.

LETTERS: Some of the students will be reading BOB books. I introduced the children to our "reading" time this week and I think they did a terrific job and I'm sooooo proud of their accomplishments!

NUMBERS: #'s 1-20, counting 1-100, small addition problems, before and after #'s, filling in the missing #, more & less, and writing #'s.

LANGUAGE: It's DINO week! We will be talking about herbivore and carnivore dinosaurs. We will read dino books, make fossils, go on a dino hunt, roar like a dino, talk about animals that are extinct, and much, much more!

SNACK SCHEDULE:

Mon: Gavin Tues: Mitchell Wed: Taylor Thurs: Jake Fri: Davison

(cut off and return)
