

## EICHER UPDATE

February 12, 2008

### SNACK SCHEDULE:

Mon: Hannah Tues: Mallory Wed: Natasha Thurs: Gavin Fri: Mitchell

We had fun this week making shadows and talking about groundhogs. Mrs. VanHooser traced each student's profile (shadow). How adorable! We will be displaying them in the hallway, so feel free to come and take a peek. Our Valentine's Day party is coming up quickly. You may send in a Valentine for each student on Valentine's Day. It is much easier if you address valentines as "friend" and have your child (or you) sign his name. This makes it much easier for the children to pass them out (and much easier for the teacher too). Valentine's do not need to come to school until Valentine's Day. Thanks for making this day fun and special!

A BIG Thank you to the Boyd family for purchasing a beautiful Noah's Ark "circle time" rug! The children love it and it sure makes our room lively & cheerful.

### A PEEK AT THE WEEK

**BIBLE:** We will continue to talk about the miracles of Jesus! We will talk about Jesus healing Jairus' daughter.

**VERSE:** Mark 1:34a Jesus healed many who had different diseases.

**LETTERS:** We will work on capital and little Ww and its sound. I will introduce the sight word /the/. Natasha takes the letter box home.

**NUMBERS:** We will review #'s 1-14 and count from 1-60.

**LANGUAGE DEVELOPMENT:** It's Wacky Week! We will be making silly stories, playing silly games, singing silly songs, reading silly stories, and doing lots of silly activities during centers. **WEDNESDAY** is **WACKY WEDNESDAY!** The children may come to school dressed as crazy as loon! (mis-matched clothes and shoes) **THURSDAY** is **BACKWARDS DAY!** The children can wear their clothes inside out! We will be doing everything backwards (walking in the hallway backwards, saying our names backwards, counting and saying the alphabet backwards).

Our Star of the Week last week was Davison and this week is Sean! We love you Davison and Sean!

Have a wonderful, snowy weekend!

Mrs. Eicher & Mrs. Kane
