100's Day on Friday

In kindergarten, we celebrate the 100th day of school. This year, the 100th day of school is Friday. We will be having a special breakfast at school. The students are also asked to make a large poster board heart and put 100 things on it. The final item for 100's day is a special 100's day snack. You will find your child assigned an item. I would like you to have your child count 100 pieces of the assigned item and bring it to class in a Ziploc bag. We will be putting all the items in a big bowl to make a special snack mix. Thanks!!
