#### Spelling – List 9 (The test is Friday.)

#### Reading

Starting January 7 the students may begin reading books for Reading 500. Reading 500 is what we are doing the 3<sup>rd</sup> quarter. It will count as 51% of their reading grade for the 3<sup>rd</sup> quarter. The students may choose to get a C by reading at least 3 books, get a B by reading at least 4 books, or getting an A by reading at least 5 books. The amount of **total pages** will actually determine what kind of grade (the percentage) they get. Each book needs to be 120-200 pages. There is a form to fill out and have signed by you. Please don't sign it if your child has not read the book.

#### History

This quarter we are studying Indian history. There will be a notebook due around the end of March. Most of it we will do in class. More information will come later. We are also working on learning the States and Capitals.

#### Health

We are studying Health this quarter in place of Science.
