

## MRS. CORTHELL'S CLASS NEWS

**MARCH 14, 2008**—Greetings to all !! Thank you for all your reading practice at home. It makes a wonderful difference when you are able to reinforce what we are working on here at school. You are your child's first and best teacher and I appreciate the opportunity to partner with you in this great learning adventure!

**Next week our special sounds will be Ou in out, Ow in owl, Oi in coin, and Oy in boy.**

We will begin our look at the **Ocean** and all its creatures next week. It's a great study and we all enjoy learning about God's awesome sea creations. If you have any cool things to send it to share, please do.

**We will celebrate St. Patrick's Day on Monday with our Tasting of the Green Party.** Thank you for sending in your green treats to share that morning.

Our Bible story for next week is the **Resurrection story of Jesus**. Our Bible verse will be **Romans 6:23, "For the wages of sin is death but the gift of God is eternal life in Jesus Christ our Lord."**

**Happy Birthday to Will Payton on Monday, March 17!!** He is our Star of the Week. We love you Will !!  
Our Snack Schedule will be Monday-Will, Tuesday-Cassie, Wednesday-Zechariah, Thursday-Allison, and Friday-Kyler.

**Next Thursday, March 20, we will be hosts of our Pastors** as we celebrate their impact on our lives and show them our appreciation with a breakfast and program. Let me know if you did not receive an invitation to give your pastor. Your child should have brought one home.

Just a reminder that there will be **NO SCHOOL** on Friday, March 28, and our Spring Vacation will begin the following week. When we return on Monday April 7, we will begin our Stanford Achievement Tests.

I hope to see you all at the MCA Auction tomorrow night (Sat March 15) !!

In His Service, Maggie Corthell
