

EICHER UPDATE

March 21, 2008

Pastor appreciation was wonderful! Thank you to all our pastors for being the spiritual leaders that our community needs! If you do not have a church home, we have many wonderful churches in our community to choose from. I encourage you to "shop" around to find one that fits your family...if you don't know where to start...you are more than welcome to visit my home church. Call me if you want more information.

Our Resurrection Party was very fun! Thank you to all parents who helped make this a very special day!

Four more days until Spring Break! We do not have school Friday, March 28 and will return Monday, April 7.

Our next field trip is 2 weeks after spring break. We will be going to the Indianapolis Zoo and Gardens on Friday, April 18. We are taking the bus...PTL! Adults are welcome/encouraged to attend our final field trip! You may ride the bus with your child and the rest of his/her class OR, you and other guests may drive separately and meet the K-4 class at the zoo (we will not be able to take strollers on the bus). You may take your child home from the Zoo as long as you indicate on the permission slip. The cost is \$15 for K-4 student and \$6 for additional guests (don't forget criminal background checks). If you have a Zoo Pass you may use it as long as you are present with your child (you will enter through a different gate). The cost for Zoo Membership students will be \$9 (bus fee). You may indicate on the permission slip who will be going (siblings & guests) and your cell phone number. This is a FUN trip and would be worth the effort to go! Permission slips and money must be returned TOGETHER by Monday, April 14.

Please return evaluations to school after they are signed.

A PEEK AT THE WEEK:

BIBLE: We will talk about gentleness, kindness, dependability, obedience, being self-controlled, diligent, truthful and respectful.

LETTERS: We will learn letter Kk and its sound. Cody gets to take the letter box home.

NUMBERS: We will review #'s 1-17.

LANGUAGE DEVELOPMENT: We will be looking at life under the deep blue sea! We will do sand art, bubbles prints, fishy fingerprints, sea water table fun, make a coral reef (chalk art) play with sea foam. We will make a big submarine and go on a deep sea journey. We will have a surprise guest speaker who lived on a submarine. He will share stories and pictures of life on a submarine.

Mrs. Eicher and Mrs. Kane
