

EICHER UPDATE

February 27, 2010

We had a champion week with our little Olympians!!!! We learned about the 7 continents and what the Olympic symbol represents, among many other fun facts and activities!

Thank you to those who helped with our field trip to Pizza Hut! We had a great time!

Our auction is coming up quickly! You won't want to miss it, so mark your calendars for March 13! I am in charge of the children's activities that evening! We have a great entertainer coming as well as some fun crafts and snacks for the kids! If you have not been involved with any school event, this is your chance! I need help! I need 6 volunteers to "hang out" with our kids and participate in the fun activities, as well as watching our awesome entertainment. Our school encourages parents to help in a couple of events. This is important because it makes you feel a part of the MCA community and you get to meet other families as you join together to help our school. The auction is a good place to start! Our auction is our biggest fundraiser! Please join us and take part in this event that will make our school a better place! Not only are you serving our school, but very own child as well! Please let me know if you are willing to serve in the children's event! It will be fun! I need to know by next Wednesday! Thank you so much!
