

EICHER UPDATE

May 7, 2010

Grandparents Day was a success! It was wonderful meeting family and friends on Grandparents Day. The children were very excited! Thank you family and friends for making this day special!

First of all, I want to say a BIG THANK YOU to Mrs. Kane who has been such a big help to me this year! I couldn't do this program without her. We have a great Pre-Kindergarten program at MCA and there is a lot of preparation behind the daily action! WE are VERY PROUD of each student! Thanks Mrs. Kane for your dedication and encouragement!

Our Graduation is quickly approaching! Please join us on our last day of school, Tuesday, May 25. We will all MEET AT PIONEER PARK IN MOORESVILLE at 9:00. We will play on the playground, do some relay games with our family, and then I will present the Pre-Kindergarten Class of 2010. The children will receive memory books and alphabet books. Don't forget to pack a picnic lunch! We will have graduation cupcakes and cookies for dessert! We will dismiss from the park around 11:30. There will be no afternoon class on Graduation Day.

JUST A REMINDER, WE DO NOT HAVE SCHOOL ON FRIDAY, MAY 21 (auction free day).

In Language we will be learning about Insects!!!

We have one last reading group time and one numbers lesson left! I will then start doing one-on-one evaluations this week and next week.

In Bible we will talk about the boy Samuel and how God spoke to Samuel and speaks to us today.
