

# Scrip Tips

**What is Scrip?** Scrip is a term that means "substitute money." When you buy scrip, you're purchasing gift cards that are used just like cash. You can use scrip to purchase everyday expenses like food, clothing, and other essentials. With every purchase, you earn revenue to use toward tuition and to benefit MCA.

It Just Got Easier To Reload Your CVS, Starbucks and Gap Gift Cards.

**Here's how the new Reload system works:** When a family places an order online to reload a scrip card only (with no other physical gift cards on the order), and pays with PrestoPay, the reload will take place no later than the next business day. Generally speaking, any "reload only" order placed before 3 p.m. Eastern Time will be activated

by the next business day.

If you're not yet ordering online, go to [www.shopwithscrip.com](http://www.shopwithscrip.com) and use MCA's enrollment code LC7A416A4372 (case specific) to become a member. Please place orders by 9 a.m. Mondays. Scrip is ordered once a week and usually arrives on Thursday.
