

Dear Prospective Parent,

It is a pleasure to provide you with information about Mooresville Christian Academy (MCA). We affirm the partnership with the family and church in providing an exemplary education that exalts Jesus Christ as Lord. "Train up a child in the way he should go, and when he is old he will not depart from it." (Proverbs 22:6) It is our belief that MCA can help you attain the goal of raising a child that seeks God's plan for their life and helps equip them to achieve an outstanding education.

MCA is now entering its 35th year of providing quality Christian education from pre-k through eighth grade. The enclosed material will assist you in understanding the advantage of a Christ-centered education for your child. Please note the following requirements for a student to be considered for admission:

- † At least one parent is a believer and will attest to a personal relationship in their life with the Lord Jesus Christ
- † At least one parent is actively attending a local evangelical, bible-believing church with their student.
- † The student being considered for admission has not been expelled from another school for disciplinary reasons

Open enrollment begins Monday, March 1, 2010. There is a wait-list application process for those wishing to pre-enroll before that date. Tours of our campus are available by appointment through the middle of May. Please call the office to schedule your tour and to apply for registration. After applications are received we will schedule an appointment for you to meet with the administration and conduct a placement test for your child.

It is our prayer that MCA may serve the needs of your family by providing educational opportunities to your child for many years. Please prayerfully consider joining the MCA family.

Serving Him and Loving It!
