

## 6<sup>th</sup>-8<sup>th</sup> Grade Packet

Dear Parent,

Attached is information about our school's major fundraiser. On Thursday, September 27 the K4 through fifth grade students will participate in a Bike-A-Thon. The sixth through eighth grade students will bowl in the morning and participate in a community service project in the afternoon (Work & Bowl-A-Thon). The students will collect pledges and donations.

The deadline to turn in money is Monday, October 8 (to count for the prizes). With each donation, students will earn tickets to spend at the school carnival, on Friday, October 12. We have an exciting time planned with several inflatables, rock climbing wall, game booths, food, etc.

MCA's income comes from three sources—tuition, gifts, and the school fundraiser. Tuition covers about 90% of the cost for your child's education. The remainder cost must be raised by gifts and fundraising.

We need everyone's help, so we can continue to improve the opportunities and choices at MCA. We do not want to stand still or retreat. We want to move forward training boys, girls, and teenagers for Jesus Christ.

Please help us by supporting this year's fundraiser.

Sincerely,  
Mike Osborn  
Administrator
